

# Anyone

## Justin Bieber

I keep thinking in my head that one day we'll separate  
I see it happening everyday, nothing lasts forever  
That's what people say  
I can't picture you out of my life  
I think about this every day and night  
And I don't know why but it seems to get to me  
No, I don't wanna leave you, I'm no good alone  
So I'm staying with you till you want me to go

Girl, you don't understand what you do to me  
Got crazy in my head, I don't think I can leave  
I need you here with me all night  
Girl, I can't live without your smile  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm, I'm in love

I'm so scared to lose you  
Uuh, uh, oh oh  
Don't know what I would do  
Thought of me being replaced  
Brings tears right to my face  
And I can't think of anybody who would take your place  
No, I don't wanna leave you, I'm no good alone  
So I'm staying with you till you want me to go

Girl, you don't understand what you do to me  
Got crazy in my head, I don't think I can leave  
I need you here with me all night  
Girl, I can't live without your smile  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm, I'm in love

I can't picture you out of my life

Said I can't, no I can't  
Out of my life  
I can't picture you out of my life  
Said I can't, no I can't  
Out of my life

Girl, you don't understand what you do to me  
Got crazy in my head, I don't think I can leave  
I need you here with me all night  
Girl, I can't live without your smile  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm in love, I don't know what to do  
But I'm crazy over you  
I'm, I'm in love
